About Us

The specialization of our company, Dazzle Power Generators, lies in making Diesel Generator Set in different specifications. Today, we are counted among reliable manufacturers and traders of Caterpillar Generator Set, Kirloskar Generator Set, Ashok Leyland Power Diesel Generator Set, DAZ Generator Set, etc. We carry out our business operations, keeping in view the expectations of esteemed customers and industrial guidelines that are set for our domain. Our company also follows moral business policies that are transparent, which helps us in attracting a wide customer base.

Customers can avail Generator Sets from us on a rental basis and if they want we can also provide them refurbished Gensets that have a capacity of more than 20 KVA. Our hard work and dedicated efforts have resulted in the grand success of our company. In all these years, our mentor, Mr. Delhiwala Arshad Zaheeruddin, has helped us serve customers effectively and enabled us to grow at an exponential rate.
